The summer is moving very fast and soon it will be time for CSSA. We are looking forward to a great time in Cedar Rapids as many fun events are being planned.

July has been a busy month. We just returned from Imperial Session in Charlotte N.C. We had many issues on the table and worked through all of them. It was my honor to nominate Imperial Sir Jeffrey Sowder for Imperial 2nd Ceremonial Master during the Imperial Session and Imperial Sir Jeffrey was elected unanimously. I also had the pleasure of escorting Lady Cheryl Sowder to the head table at the Ladies Luncheon in Charlotte. What a beautiful group of ladies attending the luncheon including my Lady, Pam Schrant, 1st lady of Midian.

Thanks to Chief Rabban Lonnie Nichols for arraigning the Midian Golf Stag at Braeburn Golf Course. I hope all the members that played in the golf stag had a good time as I know the winners probably had a better time. Thanks to all the aides and especially our Chief Aide Gary Gelvin for his assistance to help make the Stag a success.

The Shrine Bowl activities were in Emporia, Ks this year and as always a great time. We get to see many of our counterparts and other friend we only see maybe once a year. The Shrine Bowl Banquet was a hit again this year as the all Masonic Band performed at the banquet. The guest speakers contributed to the success of the banquet. The Shrine Bowl parade was again a huge success. The Shriners sure do know how to parade. Thanks to Capt. John Auch PP and the Motor Patrol for the

It includes a list of donors and sponsors, a section on memorial donations, and mentions of activities and events planned for the month. Harvey County Club & Hobo Unit

Hobo President Noble Don Dody reports the Toter and Calaboose Degree put on by the Keystone Kops was almost like the much-shorted route of the Newton Chisholm Trail Festival parade recently. The troubled festival itself was cancelled but last-minute civic demand and support resulted in a parade... sans... three blocks long. Hobos also attended the Kechi parade last month but missed Park City. All event dates include the 6:00 PM Harvey County Fair parade on the 4th, and Halstead Old Settlers 10:00 AM Saturday the 11th. No hospitality at Halstead this year, as date conflicts with CSSA. Thanks to Unit VP Noble Rex Yohn, driver Noble Lonnie Patterson, Nobles Roy Engle, Larry Wells, Cliff Knauss and all others who “keep ‘em rolling” parade after parade, year after year.

Congrats to Noble Donnie Anderson’s grand-daughter, Stephanie Oursler; she of Alaskan sled-dog care fame, completing her degree and graduating as a Doctor of Veterinary Medicine from K-State University. She delighted us with a fine program not so long ago.

Newton Lodge #142 Secretary, Noble Gary Dix reports a busy summer; with four Master Mason degrees recently conferred and more petitions in the “pipeline.” Masonry is alive and well in Harvey County. Noble Dix also thanked those who helped with the firework set-up, sales and teardown, saying the longer sales period and fewer local competitors this year resulted in a profitable event.

Our annual family picnic will be Sunday the 26th, again in the cool confines of the Newton American Legion. Nobles Gary Dix, John Heckman, Rex Yohn and other volunteers will again man the grills for top-notch burgers and dogs. We almost set fire to a Liaison Officer who “helped” cook one year, so Noble Rocky McWilliams better be careful!

Come early, come hungry, and come smile with us, the fun-iest Club in Midian.

The summer heat is definitely on, but the activities continue. We cooked burgers on July 4th at the Party in the Park along with our Masonic Brethren, and I don’t think anybody missed not sitting in a firework stand this year.

We had our second steak cookout in July and as customary, it was our prospect night. We had three potential prospects join us for the evening and hopefully we may see them again at Fall Ceremonial. Speaking of steak cookouts, I hear that some of our more adventurous 3-Wheelers went to the Calaboose Degree put on by the Keystone Kops and barely made it to the steak feed on time. Sounds like they had a fun afternoon!

Noble Warren Farr recently had surgery on his neck and is at home recovering slowly. Now is the time to take it slow and easy and let everything heal. I’m sure Noble Warren would be glad to hear from us while he is at home recuperating.

At our July meeting, it was decided that we will continue with our Haunted House again this year. Many of us have done this year after year and we REALLY need some new ideas and people to refresh the “Old Meat Locker.” We will be planning and having work days in September, so put your thinking caps on and help us with one of our big fund raisers for the year. Not to mention... it is a hell of a lot of fun!

Since I always report on everyone else, I would like to take this opportunity to say that Lady Jeleane and I celebrated our 25th Wedding Anniversary on July 11th. Of course it was spent mostly working on our headquarters. But I am a very lucky guy to have married and spent the last 25 years with my best friend, who has been by my side through all the good times and bad. Thanks to Lady Jeleane for putting up with me and making me a better person.

By the time you read this, we will have served pancakes at the County Fair, and be in to the dog days of August. Stay cool and have fun!

Carl “C.C.” Cox

High Priest & Prophet Wayne Wells to show you his personal divan pacifier? And also ask him why he missed the above degree, the only elected divan guy who did!
It’s sad to report that none of our group have been traveling in an attempt to escape the “Hot Sands” of southwest Kansas. Gene Lygrico, PP and Lady Betty were able to make it over to Branson, as soon as the wheat harvest was complete. Asst. Director Kenny Loffland and Lady Billie attended a family reunion in Pennsylvania, and Ward Marrs was also out of town attending his family’s get together in Omaha. To name a few.

We had another delightful dinner meeting on July 19th. It was at the Larkspur Bistro and Bar in Old Town, just around the corner on July 19th. It was at the Larkspur Bistro.

Well it has been a hot one and the furries are trying to beat the heat. The Cartoons rolled out with a good tumour for the Kechi Parade and even though there were a couple of distractions along the route, the unit was still a hit as always. Come on . . . who doesn’t love watching the Toons melt away the pounds, or at least shed some of those that missed it this year, when it comes to furries’ ears are probably still ringing. For all South Bank will never be the same and the after the initial “are you OK?”. I will say the Elk County Stagg and the Ladies Williams, from your favorite toons.

Now!!! or you may get another one!!!! Give Up?  He was looking for Pooh!!  Laugh in his Garden!  Ok for not laughing at that mind Pooh being in the Garden?  Because it was for August Noble 23.  Hopefully we can go to the Shrine Bowl the last of July and parades Aug 4 Summer Co. fair at Caldwell and Harvey Co Free Fair in Newton, Aug 11 Halstead.

For the Toons are coming by the cheers, or Toons melt away the pounds, or at least shed some good rain (you remember when water falls from clouds in the sky). At our June meeting it looked as half of our members were on vacation but we had 7 trips to pass out. We welcomed a new member, Walter McIves and his lady Clara, they should be a good fit to our group. All our vans are up in good shape except for van-10 with a little miner damage to the right fender.

The main events in the future are the Shrine Bowl the last of July and parades Aug 4 Summer Co. fair at Caldwell and Harvey Co Free Fair in Newton, Aug 11 Halstead, and with a little miner damage to the right fender. Well summer is here, hot and way to dry. We could sure use some good rain (you remember when water falls from clouds in the sky). At our June meeting it looked as half of our members were on vacation but we had 7 trips to pass out. We welcomed a new member, Walter McIves and his lady Clara, they should be a good fit to our group. Antique Autos

Sorry all, I missed most of the July meeting so this will be short. On June 23 we had the Kechi parade attended by Nobles Kent Butz, Fred Bohrer, Jerry Elsco and Edward Chirsco. I understand that it was a great parade and hospitality. Well done all.

By the time you read this Automobile will be past and we will be looking to other shows and parades. I was great to see everyone at Automobilia, I won’t name all who showed up but it was great to see everyone at Automobilia, I won’t name all who were there because I did not see everyone and after a short night on Friday, driving to Oklahoma City for my Uncle’s 100th birthday I was beat. But I know a few were there showing their cars.

The upcoming events are Automobiles on July 14, our July Social on July 21, and The Shrine Bowl Parade on July 28.

Our Antique Autos group would really like to see all the members that want to attend meetings to be able to do so. Please call me at 361-0758 or 993-4463 and leave a message.

Hospital Van Drivers

Well it has been a hot one and the furries are trying to beat the heat. The Cartoons rolled out with a good tumour for the Kechi Parade and even though there were a couple of distractions along the route, the unit was still a hit as always. Greetings from Yoshi! The past few months have been busy and full of events. I’ll try to cover it all on one page.

We’d like to thank Ed Parker for allowing us to host the hospitality at his home after the Kechi parade on June 23rd. A big thank you goes to Ed’s wife Rita and their neighbor (sorry, I couldn’t recall her name) for helping with the cooking while the grill was being prepared. Yoshi appreciates all of your help and generosity. On hand for the Yoshi unit were Nobles Brian Chestnut, Aaron Tabing, Paul Ditty, Chris Hurt, Bruce Lemaire, and Alan Martin and many Yoshi Ladies. Thanks goes to Noble Nick Young of the Nascarts for helping with the grilling. We hope everyone enjoyed the parade and the after party.

A blast was had at the Shephers’ house for the Fourth of July. Thank you to all who participated and brought some of the great food that was there. The fireworks were great and I believe rived downtown’s. No fingers or eyes were lost but rockets were going ever-

Yoshi participated in several parades these past few months and we always have a lot of fun. Kechi, Park City, Cheney, and Wellington were some of the parades we rode in. So far this year our karts have been running fast and furious. We are practicing regularly for CSSA and think we have a decent routine this year. We’ve added what we do well, speed!

Our unit has another fundraiser and we are selling raffle ticket s for a cool engine bar-b-q grill. You have to see it to believe it. It was on display at the auto show in Old Town and will be in and out of the Shrine the next few months. Ask a Yoshi member for a ticket or two. The final drawing is in November so you have plenty of time to get some. The Yoshi Ladies have Midian Shrine tote bags for sale; get yours if you haven’t already. See you at CSSA.

It has been a while since the Camel Herders have written in the Topics, but here we go.

There has been some changes in lead-

ership, I would like to introduce our new

Chief, Ray Richecky and his lady, Diana. Our Assistant Chief Grant Richecky and his lady Annie Roskos.

On May 12, 2012 the Camel Herders presented the Camel Herders Degree. Sixteen Nobles went through and are now considered event and found no mouthpiece! He missed the parade but made it home and back in time to work our first-ever concert in their park following. He later ordered three spares—just in case.

And, so as not to pick on just Noble Rick, drummer Noble John Heckman worked a “civilian” show in Junction City recently, returning home with lady Bert and guests, but minus stick bag and lyrics book! Other way “round would have been worse!” Noble John says an extra 180 mile round trip at today’s gas prices will do wonders for your memory, if not your marriage!

July 20th we were honored to perform for the first time at the Lakeside Park Sum-

mer Concert series in McPherson—details next column. August events include regular rehearsal Thursday the 2nd, Midian Stated Meeting Wednesday the 15th, and the Old Town Farmer’s Market Saturday the 25th. Whatever your political persuasion, re-

member to vote August 7th.

Sounds to this Reporter like the Past Captains Ride by Bro J. R. Stevenson
down to Zenda for Dinner was outstanding! According to those
that made it, the food was terrific and the fellowship even better. Thanks
definitely go to J.R. for putting that together. While in the J.R. “thanking mode” there’s
plenty due him and his Lady Jean for all their work on EE Vests, Ball Caps and Jackets too.
They’ve made countless trips to the sewing lady and to Illustrious Sir Arch’s – J. T.
Entreprises to fill orders for all the garments for new Members. Behind the scenes this is a
huge undertaking…thank you both!

By the time this article comes out, Bro
Greg Reida should be back on his feet (and his bike) following some plumbing surgery.
Here’s hoping he’s twisting the throttle stron-

ger than ever. We’ll need this Past Captain’s help too with Bad Boar and the Poker Run as
we head into the Fall schedule. News has it that another Past Captain, Bro John Chambers
is doing better with health issues too.

John says “he’s beginning to get his
strength back which puts him
back aboard his bike” and that’s
what the rest of us all need to hear.

Captain Greg reminds us that we
need to be hard at the effort for both
the EE Poker Run on Saturday September 16 and the Bad Boar Degree Stag on Saturday
November 10. Beyond Circus Sales Brothers these two events are our key Fundraising
opportunities! Getting the word out means a
ton to success on both. Placing the fliers
and selling the tickets is critical, but unique
items for the door prizes and especially the auc-
tion(s) makes a big difference on a suc-
cessful event. If you have collectables that
you can donate or if you know of a potential
sponsor that could chip in with goodies –
we can sure use em!

In case you haven’t noticed, the EE is
growing…ain’t it great!! Remember, the
Unit that plays together stays together. Main-
tain the Momentum!

Only a biker knows why a dog sticks his head out the car window…now!

The recent Fun Shoot and Shotgun
Raffle has raised over $10,000.00 for the Provost Guard. All of us in the

cause of your help the Provost Guard will be able to make a donation to the Midian Shrine
Plane of Mercy.

The Provost Guard is headed for Cedar

Chris Hawn has put together an outstanding team of eight of the best shooters the Guard has to offer. Look for a fall report in next month’s report.

Our unit has been busy working for the good of the Shrine. We had appearances at the 55th Cessna Anniversary celebration on June 9th. A big thanks goes out to Klumzy, Hobo Joe, Skittles, Happy Lady Dee and our newest clown Clip Clop for their participation. Anyone for Domino’s pizza?

We also had representation at the Lewis Day’s in Lewis Kansas, thanks to Klumzy, Dave Johnson’s, Bob Ragsdale, Paul Morris, John Wyckoff, IMP Sir Jeff Sowder and me. Noble Paul Morris invited two people to the meeting. A short report on Charlotte Imperial Session was given. Asst. Raban Ed Day reported on upcoming activity in Midian.

The Wellington Wheat Festival Page saw Captain John Auch leading Nobles Jeff Breault, Lynn Ungles, Paul Morris, John Wyckoff, PP Ron Capps and Al Cooper. Noble Reiferd Acord gets credit since he started out for the parade and was turned around by heavy rain near Harper. Hospitality at the American Legion was great and Eric you could have shown there.

Automobilia saw the Motor Patrol supporting the Shrine Showing with Jeeps of Noble Mickey West. PP John Auch and Dave Johnson’s War Wagon. There was good fellowship in the Oasis.

The Kechi parade was documented on Motor Patrol’s Facebook page. Captain John Auch, Nobles Lynn Ungles, Rocky McWilliams, Mike Johnson, PP Ron Capps, Eric Shepler, Paul Morris, Mickey West, John Wyckoff and Reiferd Acord enjoyed hauling the divan and the hospitality at Noble Ed Parker’s house after the parade.

at the Peace Love Shriner’s party. Captain ‘Love’ John Auch, Lynn Ungles, Rocky McWilliams, Norm Conley and their ladies Julie, Laurie, Bev and Debbie and Mickey West celebrated in a hearty manner. Of the top six finalists 1 was Captain John Auch. Rocky McWilliams and peace and love lady Bev McWilliams. She had flowers in her hair. Captain John was showing lots of skin. Noble Mickey West was working his tongue and did not know where to wear his flowers... Awesome party with lots of browns... The Jalapeno browns were warm. Some had stuff in them... well not your regular brownie. Words to live by are peanut butter with chocolate works but chocolate with peanut butter is all chocolate taste. Not that that is bad. PP Mike Kelly arrived in white shirt and slacks. We hope he was putting some one away or he was a unique hippie costume.

We are doing the Motor Patrol ½ a cow, 1/2 a pig or a turkey in a box raffle again this year. There will be members with tickets on sale now from Motor Patrol Members. PP Vern Thornton would like visitors. Noble Charlie Kelley is looking great and getting around. Noble Archie Moon and all the other brothers are in our thoughts and prayers. Arami Court

Wow, are we heading for another scorcher and recording setting year! The heat has not slowed Arami Court down though. We finished our final Bingo session on June 26th with 165 players and two must go pots. This was a 3 ½-year fundraiser and one we will never forget. After seeing many of the players week after week, we have gotten attached and will certainly miss the interaction with them. A BIG Thank You to everyone who made this a successful experience.

As the date for the 2014 Grand Council Session hosted by Arami Court approaches, our time will now be spent planning and implementing everything for this event. As we have mentioned before, we are expecting 700 or more ladies and nobles to visit our fair city from May 9-16, 2014. The Formal Public opening is scheduled for May 13, 2014 with our own Lady Jan Hiebert GO, PHP presiding over the Session. This Grand Council Session will be the culmination of her year as Grand High Priestess after visiting all 72 Courts across the United States and Canada, and visit as many of the Shrine Hospitals she can during the year.

Our summer Ceremonial was held on July 7, 2012 at North Star Lodge, initiating two Ladies. After the Ceremonial, we held a barbeque, as always too much good food. In September, we have been asked to prepare and serve a Mexican Dinner for Nomads on Friday night. If you have not been to one Nomads functions, you might consider joining us; they are fun gatherings. We are also serving breakfast on Saturday mornings for this group.

Krafty Krew and the Krazy Klowns will be helping the Hospice Care of Kansas on July 21 with their carnival to raise funds for Camp Healing Hearts. Bloomin’ Buddies will be donating a stepping-stone designed by Lady Dee Guthrie and Lady Kerri Turner to help raise money for their camp. All of Arami Courts units continue to meet during the summer and their activities keep us all busy. The USO Tour is scheduled for stated meeting on August 15th, should be a great evening.

Many of us will be with our Nobles at CSSA in August, hope to see you there too. Until next month, good health and a lot of laughter.
